

# OUR ETHOS

Mosocho Elite Premier School ethos is centered around the wellbeing of our learners. Our school learners will receive the best possible education, that suits their needs.

1. To deliver a dynamic primary education in a Christian context to be able to prepare learners to competent citizens based on integrity, respect, love.
2. To be one of the best Primary Schools, fostering the highest standards of education in Kenya, advancing skills in a holistic context.
3. To educate learners to love one another with sincerity. Hate what is evil and Cling to what is good.
4. Create a happy environment and inclusive and supportive community within which the staff and children are encouraged to promote the growth of trust and mutual respect.
5. To work collaboratively with our partners and stakeholders by encouraging dialogue, welcoming parents into the school, and keeping them well informed of the school policies and the progress of their children.
6. Creating a well-ordered environment for learning, in which we hope our learners will be inspired to thrive and succeed.
7. The broad and balanced CBC is carefully planned to deliver effective and challenging learning, developing inquisitive learners and building on children's previous achievements.
8. We believe in the uniqueness of talent displayed by learners and they are equally valued, encouraged, and challenged to fulfill their full potential.
9. We believe that every child has unique talents which may take different forms, but are equally valued and encouraged. We ensure that all children are challenged to fulfill their potential. We aim to make children aware of their own strengths and help them learn to value the strengths of others.
10. We believe of the fact that our learners will leave our school as curious learners with confidence in their own abilities, with the skills to extend and apply their knowledge, and the belief that learning is enjoyable and rewarding.
11. Prioritize the spiritual, moral, social, and cultural development of every child. Above all, we believe that all our learners will leave our school at the end of their primary and junior school education with happy memories of their time at Mosocho Elite Premier School.
